## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The disclosed device is directed towards a combined network switch and power strip including a housing defining an interior and an exterior. A power cord is coupled to the housing, disposed in the housing. A power surge protector coupled to the power cord is An electrical power switch is coupled to the surge protector and is disposed in the housing. An array of electrical outlets is coupled to the electrical power switch and is disposed in the housing in operative communication between the interior and the exterior. A power transformer is coupled to the power surge protector in the housing interior. A network switch is coupled to the power transformer and is disposed in the housing interior. The network switch includes a network port array in operative communication between the interior and the exterior. A network connection is in operative communication with the network switch and a network outlet. None of the cited art discloses the claimed subject matters since claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rajnikant.B. Patel whose telephone number is 571-272-2082. The examiner can normally be reached on 6.30-5.00; m-f.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Karl Easthom can be reached on 571-272-1989. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
